\* microphone types are suggestions

## MIX

No compressors and no gates on instruments (front of house & monitoring). EQ as neutral as possible  
 Vocal Reverb: hall ok. No delay adjustments during performance  
 Lead vocals on top, Backing vocals softer.

## LIGHT

No smoke machines; indirect hazer from singer is ok.  
 Avoid green and harsh white spotlights

## STAGE

Size: 5m wide and 4m deep. Drum podest 2x2m. Backdrop: neutral molton/curtain  
 1 bar stool for Lilly Martin. Non-carbonated water for singer and each musician

## BACKLINE

If backline is provided by organizer, see separate „backline requirement“ sheet
